Issues With Stabilizer

Additional Notes

Scotts Steering Stabilizer Service: \$75.00

Service Includes: Disassembly, Inspection of internal components, Main Seals, O-Rings and Shear Pin. If additional parts or repairs are required (that exceed \$95.00), we will contact you for approval of additional expense needed to ensure your stabilizer is in perfect working order.

Shipping cost is not included and will be added to total cost of service. Typical Service Time is 3 to 5 business days after we receive your Stabilizer. If you need your Stabilizer serviced faster than our normal service times, please contact us or add it to your notes and we will make every effort to accommodate your request.
